

# ARE YOU A TRUE MISSIONARY OF GOD?

## Are you a true Missionary of God?

In this Christendom, many missionaries are working for Christ to build up the kingdom of God. But unfortunately, as per the scripture many of them are not commissioned by God, (**1 Joh4/1, Mathew 7/21-23**) because most of the missionaries do not follow sound doctrine and lead their audience to hell by pouring out false spirit. They speak another gospel which talks about different Jesus and other Holy Spirit. They address the things of this world which is temporary and perishable instead of permanent and nonperishable things of heaven. – **2 Corinthians 11/4, Gala 1/8-9, Acts 20/30, 2 Peter 2/1-3**

A person who lead a spirit filled life after baptized by Holy Spirit can only become a genuine missionary. It is important to understand the will of God which even include place, time and purpose of your missionary work otherwise you will get trapped by Satan, who will redirect you to false ways/route. A powerful prayer life and Bible study can avoid all these misleading. -**Acts 16/6**,
